TOOLKIT

The Waterfront Regeneration Trust, in conjunction with many of its partners, is compiling a toolkit of guidelines, checklists, and management strategies to assist in the implementation of the Actions of the Lake Ontario Greenway Strategy. Many of these toolkit items are complete at time of printing of the Greenway Strategy, while others are still in draft form. It is anticipated that the toolkit will be complete by the fall of 1995.

Cultural Heritage

- Cultural heritage conservation manual (working title) (Ministry of Culture, Tourism and Recreation, Ministry of Municipal Affairs and Waterfront Regeneration Trust)
- Cultural heritage themes

Natural Heritage

- A natural heritage strategy for the Lake Ontario greenway
- Restoring natural habitats (a manual for habitat restoration in the Greater Toronto Bioregion)

Shoreline Management

- Checklist for shoreline treatment
- Collection of goose management initiatives
- Demonstration terms of reference for an Integrated Shoreline Management Plan
- Guide to shoreline approvals for landowners
- Management and disposition of Lake Ontario crown shorelands within the Greater Toronto Bioregion
- Proposed components of a standardized database
- Shoreline management workgroup report
- The Daily Honker (a Canada Goose fact sheet)

Site Remediation

- A guide to creating a historical land use inventory of potentially contaminated sites for municipalities in Ontario (Canadian Urban Institute and City of Toronto Environmental Protection Office)
- Remedial methods handbook
- Toward an historical land use inventory for the Lake Ontario greenway

Tourism, Recreation and Economic Opportunities

- A tourism, recreation and economic strategy for the Lake Ontario greenway
- Heritage shores: Cobourg, Port Hope, Rice Lake – the making of a destination area
- Market data for projects along the Lake Ontario waterfront from Burlington to Trenton
- Tourism and recreation market and product trends: final report

Waterfront Trail

- Accessibility audit (a checklist)
- Design guidelines for the waterfront trail
- Maintenance guidelines for the waterfront trail
- Signage guidelines for the waterfront trail
- Trail user monitoring study
- Waterfront trail alignment (a set of maps)
- Waterfront trail: liability and risk management issues

General

- Lake Ontario greenway strategy: next step
